

## 2022 Hydrangea Festival Garden Tours in Brewster

The Cape Cod Hydrangea Festival is an annual celebration of the region's blue, pink, and white signature flowers! The Festival's main attractions are the daily tours of private gardens, each designed and maintained by the individual owners and carrying a unique charm. This year, Brewster hosts four gardens on July 12th and 13th, 2022. The garden features are wide-ranging, with hydrangeas, native pollinator gardens, sun and shade perennials, ornamental shrubs and trees, hollies, organic vegetable gardens, and Permagarden water conservation and runoff mitigation techniques. Some properties are waterfront or have water features - there is something for every interest!

Tours in Brewster are hosted by the Garden Club of Brewster and the Brewster Ponds Coalition. Each garden is open Tuesday July 12th and Wednesday 13th, from 10 AM to 4 PM, rain or shine.
